R.A File No. 23 of 193 6 General and Revenue Secretariat

3 It is now a point for orders whether permanent water rate paid by a person could be construed as part of land revenue entitling him to be included in the Voters lists. The Revenue Branch may be Consulted in the matter.

BVN. 22.9.36. 4 Under Section 219 of the Land Revenue Code. "Land revenue" means all sums and payments in money or in kind received or claimable by, or on behalf of Govt, from any person, on account of land held by, or vested in, him and any cess or rate authorised by Govt. under the provisions of any law for the time being in force".

5 According to the above definition of 'Land Revenue' permanent water rate can be construed as coming under 'Land Revenue' entitling a person to be included in the Voters' lists both for the R.A & L.C..

This interpretation is correct in my view. MS 22/9

6 The Rev. branch may also be consulted in the matter if advised.
